The Pinewood Derby, one of the highlights of the year for our Scouts, is upon us. Below you will find information about preparing for the race, entering the race, and participation in the race.

**Race Format:** The Derby will be divided into the following events

Weigh In / Check In

- Cars will be weighed and measured to assure they qualify between 9:15 and 10:15. Once a car is entered, it will be tagged (with car number assigned that day) and taken to the race area by a race official. Race officials will then handle all cars from this point forward. A table will be provided to do minor repairs prior to check in (tools will not be available).

Break

- There will be a break from 10:15 to 11:15 to allow the race officials to enter all racer information into the computer. If this takes less than an hour races may start early.

Race

- Race will start at 11:15 AM and will go until approximately 2:15 PM. We will have a concession stand also.

Tabulation

- Awards will be given for overall winners (1-10) and best design. The three top finishers in each rank will have a chance to compete in the Council Competition.
- Please stay after the awards to help with clean up.

For this event to be a success we will need adult volunteers. Please contact Heather Otto ([sabercubdaycare@yahoo.com](mailto:sabercubdaycare@yahoo.com)) or Nicole Christianson ([nchristianson@northernstarbsa.org](mailto:nchristianson@northernstarbsa.org)) to sign up to help with an activity or with any questions.
